Dear Howard:

This is in answer to your letter of February 25 regarding the Confidential Report on Donald J. Stubbs, Scoutmaster of Troop 48.

Apparently the letter we sent you February 17 was in error in saying that an additional report was being supplied on Stubbs from a Rochester Probation Officer. Actually the Probation Officer filled out the standard report form which we sent you and did not make out a separate report.

I think you can consider the case closed on the basis of the report you received.

Sincerely yours,

Frederic Wellington
 Scout Executive

Re: Donald J. Stubbs
Former Scoutmaster, Tr. 48

Dear Fred:

Thank you for your letter of February 17, and the enclosed confidential record sheet concerning Donald J. Stubbs, former Scoutmaster of Troop 48. We have placed this information in our file.

Your letter indicates that you were also enclosing a report regarding Stubbs from one of your Commissioners who is a Chief Probation Officer, and who was assigned to report disposition of the case. This report, however, undoubtedly due to a clerical oversight, was not included with your letter. We would very much appreciate your forwarding this report to us so that we may finally complete our records regarding this case.

Best regards.

Sincerely yours,

Re: Donald J. Stubbs
Scoutmaster Troop 43

Dear Fred:

On September 20, 1964 we received a letter from a Scout's parent about Donald J. Stubbs and on September 21, 1964 we received a Separation Notice from your office.

We wrote you about this on November 6th and received a reply on November 10th in which promised that you would have a complete report for us soon. We wrote again on January 12, 1965 and now it is February and we have still heard nothing from you since your November 10th note.

Won't you please at least let us know what is the situation with regard to this case and if you are still unable to provide us with the necessary information, can you please give us a time by which we might expect it? We will very much appreciate your cooperation so that we will not have to bother you again with another follow-up letter.

Best regards,

Sincerely yours,

Re: Donald J. Stubbs
Scoutmaster Troop 48

Dear Fred:

On November 10, 1964 you responded to an earlier inquiry of ours indicating that Donald J. Stubbs, Scoutmaster of Troop 48 would soon be in court to face charges. Presumably, this stemmed from the incident reported in The Times-Union, Friday evening, September 18, 1964.

You indicated that you would delay sending us additional information until you could have a complete report for us. Has this situation been concluded yet? If so, would you be good enough to complete and return the confidential record sheet so that we may have it for our files. Thank you very much.

Sincerely yours,

National Council

Gentlemen:

The enclosed clipping appeared in the Rochester newspaper. The man referred to is the scoutmaster of a troop of approximately 80 boys.

A recent discussion with a scout leader revealed that this man's homosexual tendencies have been known for years and that a Mr. Seward (Steward ?) Smith of Otsego Council knew about it six years ago.

The scout leader with whom I talked believes that the entire matter will be quieted down and that moves will be made to retain the man in his present capacity because of the large membership and advancement record he gives the council.

If this is scouting it is time the public knew about it.

Respectfully yours,

A scout's parent
